**THE PEE CHAIN**

**P = Point**

**E = Example (Quote)**

**E = Explain / explore**

You should use the PEE Chain to help you structure your responses to texts. Try to picture the chain in your head as you answer.

An example:

Wordsworth uses a simile at the beginning of his poem to show that he feels lonely. I can see this when he says, "I wandered lonely as a cloud." This quotation suggests that Wordsworth is strolling along in the countryside alone, like a single cloud floating in the huge blue sky.
